The original Lightforce spotlight range has endured through the years and is still one of the best options for quality and cost effective portable lighting.

Lightforce delivers a spotlight unequalled in light output, quality, durability, and user comfort. The strong and lightweight SL lights are constructed with hi-tech engineering polymer.

For your convenience, the insert in the bottom of the handle can house a spare bulb that can be easily replaced in the field without tools. The SL1705 has a 170mm reflector size and come with a 3.6 meter coil cord with 12V utility plug.
